

COVID-19- 16-19 Tuition Fund Catch Up Funding Statement 2021-22

Aim

The aim of this statement is to outline how the school will use funding to be received from the 16-19 Tuition Fund.

Use of Funding

This funding will be used to support those students who have failed to achieve grade 5 in English and Maths. The support offered to these students will include:

- Increased one to one TA support; focusing on literacy weakness and identifying access arrangements
- Additional period of small group teaching of English and Maths on a Wednesday afternoon delivered by senior teachers in order for students to acquire their GCSE in Maths and English. This was previously two periods a week. Due to the disruption it has been extend to two
- One to one sessions each week with their Head of Year to identify where additional support is needed and to review the impact of their additional sessions, resources and equipment.
- Member of staff providing speaking support to MFL students who missed out on the language exposure last year due to lockdown.
